Face the Future with **FAITH**

My beloved brethren and sisters, thank you for your sustaining influence, not only by your uplifted hand but also by your uplifting service at home, in the Church, and in your communities. We love to be with you and see you among your families and friends. Wherever you live, we observe your efforts to make this world a better place. We sustain you! We love you! As you pray for us, so we pray for you!

We envision your families gathered around the television or online to watch the proceedings of general conference at home. An alert mother and father sent me a copy of a picture they took at conference time. They observed the reaction of their then-18-month-old son, who recognized the features and voice of the speaker. The child started to throw kisses toward the TV. He wanted to come closer. So his thoughtful older sister

quickly hoisted her little brother on her shoulders and brought him closer. Here is that photograph.

Yes, the image on the TV is mine, and those children are our grandchildren. In a few years this boy will be an elder endowed in the temple and ready for his mission. Later he will be sealed to an eternal companion of his choice. Can you see him one day as a husband and father, with children of his own? And one day he will say farewell to his grandfathers, with a sure knowledge that death is part of life.

It is true. We live to die, and we die to live again. From an eternal perspective, the only death that

is truly premature is the death of one who is not prepared to meet God.

As apostles and prophets, we are concerned not only for our children and grandchildren but for
