## When did you participate?

You should be actively engaged in the VoiceThread group and you are required to participate over at least three days. Briefly describe how you participated on each day listed below. This could be as simple as, “I provided critique for three of my peers. I also responded to two questions about my draft.” If you didn’t participate on one of the days simply put, “Did not participate.”

Day 1) I looked at the magazine spread of one of my peers, then provided a critique on it.

Day 2) I provided critique for one of my peers. I also listened to the critiques that were made on my magazine spread.

Day 3) I provided critique for one of my peers. I also listened to a new critique that was made on my magazine spread.

After making the changes to my magazine spread, I uploaded a new version and recorded a new VoiceThread with a draw-over.

## How did it help?

Explain what feedback you got from your peers. Also explain what you changed about your project after getting feedback from peers or others.

The following critiques were made by my peers:

1. The script font in the title is hard to read.

I changed the words, “Standing in” and “Places” to a slab font and changed the color to black. I left the word, “Holy” in the white script font and increased the size.

2. The circle picture of the temple needs to be moved up.

I moved the picture up into the center of the page.

3. The spacing in the text wrap around the circle picture needs to be increased on the right side.

I increased the spacing around the circle.

4. The orphan words needed to be fixed.

I rearranged the text and add a few words so there are no more orphan words.
